

Samuel Cook

Developer

(902) 930-1374 · Kingston, NS · cookadamsamuel@gmail.com · github.com/cookscamuel

Entry-level developer with an eye for fine details. Passionate about developing efficient software solutions and eager to contribute problem-solving skills and a strong work ethic to a dynamic development team.

EDUCATION

Diploma: IT Programming – *NSCC Center of Geographic Sciences, Lawrencetown, NS*
September 2023 - May 2025

SKILLS

- Hands-on experience working with **C++, C#, Java, Laravel, JavaScript, Jetpack Compose, SQL**.
 - Proficient in designing and working with relational databases (**MySQL, PostgreSQL**).
 - Eagerness to learn and try new things.
 - Honed logic and problem-solving abilities.
 - Experience with conflict resolution and mediating.
 - Knowledgeable on the software development life cycle (**Waterfall, Agile, Scrum**).
 - Exposure to project management responsibilities and software (**Jira, MS Project, Miro**).
-

PROJECTS

Laravel Inventory Management System – *NSCC, December 2024*

- Developed a CRUD web application using Laravel and phpMyAdmin. Implemented an image upload feature for item tracking. Designed and optimized relational database tables for efficient querying.

Java Snake Game – *NSCC, December 2024*

- Modified the classic Snake game in Java to feature obstacles, a shrinking play area, score saving, game menus, and a local co-op game mode. Used Java Swing for graphics.

Challenge Nova Scotia: 2nd Place Victory – *NSCC, November 2023*

- Created a 90 second video offering a solution to food insecurity in Nova Scotia, a problem delivered by the Premier of Nova Scotia.
-

WORK EXPERIENCE

Production Operator – *Michelin North America, Bridgewater, NS*

May-August 2023 & 2024

- Delivered urgent products by forklift while traversing a bustling factory.
- Communicated effectively with teammates to keep production running smoothly.
- Worked efficiently and safely while respecting Michelin's Cardinal Safety & Quality Rules.

Merchandising, Dairy, and Frozen Associate – *Walmart Canada, Bridgewater, NS*

2019 - 2022

- Solved dozens of customer problems each day.
- Inventoried thousands of dollars worth of cellphones weekly.
- Maintained and outlined warehouse, cooler, and freezer organization and cleanliness standards.
- Received the Employee of the Year Award in 2020 for standing out among my peers in terms of excelling in my covered departments and providing excellent customer service.
